FEW DOSES END BLADDER MISERY AND MAKE THE KIDNEYS ACT FINE.

Out-of-Order Kidneys are Regulated and the Most Severe Backache Simply Vanishes.

Usually sufferers from backache, bladder trouble or out-of-order kidneys feel relieved after several doses of Pape's Diuretic.

Misery in the back, sides or joints, sick headache, inflamed or swollen eyelids, nervousness, rheumatism and darting pains, heart palpitation, dizziness, sleeplessness, listlessness, weariness, and other symptoms of inactive, sluggish kidneys simply vanish.

Uncontrollable urination (especially at night), smarting, discolored water and all bladder misery ends.

Feeling miserable and worried is needless because this unusual preparation goes at once to the out-of-order kidneys and bladder, distributing its

table which was lighted with delicate lavender shades at each place, were smaller baskets filled with violets, and from the chandelier to the corners of the table, were ropes of anemones and lavender. There were ropes of each ribbon was a dainty gift for each of the following little guests:

A wedding breakfast to the immediate families followed at the home of the bride's uncle, where were laid for twenty-one. A reception to the friends of the bride couple was given in the evening. The bride wore a handsome gown of white crepe de chine over satin, with a large white picture hat. She carried a shower bouquet of white roses. MANUFACTURERS TO SELECT DIRECTORS

Meeting for This Purpose Will Be Held Probably January 12.

Election of ten new directors will be the principal item of business for the annual meeting of the Manufacturers' association of Utah, which will probably be held at the Commercial club the evening of January 12. The members of the board of directors whose terms expire this year are John H. Donahue, George Austin, L. N. Stahl, Robert S. Jones, J. P. Fowler, H. L. Harrington, W. F. Jensen, J. A. Hyde, H. E. Jones and Bird Murphy.

D. F. Collett, secretary of the association, sent out letters to the members of the association Wednesday asking their views on a plan for holding the annual meeting in the form of a banquet. Replies will be received this week, and on their tone depends the carrying out of the proposed programme. It is possible that the members will decide to postpone the meeting for one month on account of the rush of business incidental to the opening of the new year's business.

The annual report of the secretary, to be submitted at the next meeting, will show a membership close to 100 as the admission of two new companies this week has brought the total up to 100. The last two manufacturers to join the association are the Idaho Sheet Metal works and the Salt Lake Cabinet and Fixture company.
